

55th EUROPEAN CONVENTION

Vienna, 27-28 May 2022
President
Josef-Peter Schachermayr

Dear Kiwanians, my dear friends,

It has been a long time since we had the opportunity to hold what is now called an offline convention. Therefore, I am especially pleased that this year, after what felt like years of the pandemic, a “real” convention can finally occur again.

Even more so in my hometown Vienna.

We have tried to put together an exciting program. But, of course, we have hardly made any changes to the convention structure. There will be, as usual, EC and board meetings, the traditional meeting of the candidates, even if there are not many this year, and the obligatory evening events. Nevertheless, I think we have managed well to incorporate a personal Viennese touch.

The city and the surrounding area offer so many possibilities for activities, and you can find a small outline here and, of course, on the internet. Since some of you are, of course, “built-in” to the agenda, it is at least open to your partners to enjoy all the possibilities of this beautiful city. Be it shopping in one of the numerous shopping malls, be it at one of the countless attractions or right next door, in Schönbrunn. Vienna offers plenty.

Feel welcome and enjoy this outstanding capital in the heart of Europe.

AUDITORS' REPORT

To the Members of the Board
Kiwaniis International-Europe (KI-E)

AUDITORS' REPORT ON THE 2020/21 FINANCIAL STATEMENTS

We have been appointed as auditors of Kiwanis International-European Federation by the European Special Convention KI-EF held on web in Brussels (Belgium) on Wednesday, September 23, 2020.

In accordance with the terms of our appointment, we have audited – partly with a video conference – the accompanying financial statements of Kiwanis International-European Federation as of and for the year ended September 30, 2021, which show a balance sheet total of EUR 647.765,- and also the annual total result with an amount of EUR 147.750,-, composed of profit from “Operations” in the amount of EUR 78.200,- and from “Conventions” in the amount of EUR 69.550,-. The previous MOU Contractual Program has been terminated.

By resolutions of the Annual General Meeting held in Zürich (Switzerland) on Saturday, June 5, 2021 was decided to transfer EUR 50.000,- from the reserves to the Kiwanis Children Fund Europe and furthermore to transfer the entire assets of Kiwanis International-European Federation to Kiwanis International-Europe asbl, a legal entity domiciled in Luxembourg, as of September 30, 2021.

At the request of the auditors the KI-Europe Board has asked for a second opinion regarding the legal and tax consequences of the transfer of the entire assets to Kiwanis International-Europe asbl. The auditors have taken note of the external advice dated January 24, 2022.

The conclusion of this external advice is as follows : “Based on the aforementioned analysis, taken into account the assumptions, the Documents, Information and our advice formulated above, we can summarize and confirm that the Transfer does not raise tax or legal issues under Belgian or Luxembourg law”.

Recommendations on formalizing the acceptance of the transfer by Kiwanis International-Europe asbl are included in the external advice. Formalizing must be completed after October 1, 2021.

The financial statements 2020/2021 are the full responsibility of the members of the KI-EF Board. Our responsibility is to express an opinion on these financial statements based on our audit activities.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. It also includes assessing the accounting principles used and significant estimates made, as well as evaluating the overall financial statements presentation.

We have obtained from the Treasurer the explanations and information necessary for performing our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

In our opinion the financial statements give a true and fair view of the financial position of Kiwanis International-European Federation as of September 30, 2021 and of its results for the year then ended, in accordance with the generally accepted accounting standards and the requirements of Kiwanis International-European Federation.

Personal motivation
 I was raised in a happy and relatively wealthy family. Now I want to help other kids to have the same. Many kids in this world are still waiting to be happy, healthy, safe and loved.

In current troublesome times our mission is far from over. And together, we can achieve more. I believe in our Kiwanis organization. We run it with a wide base of volunteers, supported by a small and professional staff. We rule our own democracy and our membership contribution pays basically for all cost. So largely all our efforts go to our mission, be it with helping hands or with financial funds.

Our European goals for a better future for Kiwanis are clear; attract more (including next generation) members; helping as many children as we can; become a sustainable organisation and involve more women and young Kiwanians. I am ready to serve you in this role!

Personal Motivation
 Retired, I am willing to put myself at the service of the Children of the World within the large framework of Kiwanis Europe. I am convinced that the new Kiwanis Europe structure will be able to provide tremendous added value to the districts, clubs, members and children of the world. "Together, we do things we couldn't do alone": my ambition is to promote collaboration and unity in the service of our core business: «Serving the Children of the World».

There is so much to do for the benefit of all! When I became governor, I initially settled ambitious objectives and to my surprise, most of them were overpassed thanks to profitable and pleasant teamworking. This comforts my enthusiasm when it comes to promoting Kiwanis Europe the same way.

Personal motivation

I joined the Kiwanis Club Drangey in the year 2000 and I very soon realized that this was something for me. I found an organization that was ready to support the weakest members of our society, I later learned about all the great projects that were done in the name of Kiwanis worldwide. To keep this work going is my motivation, to be part of an organization that represents the interests of those in need and does something about it.

The membership of the organization has been going down for several years and that is something to worry about! I want to do whatever I can to bring more people to Kiwanis and let them know what Kiwanis really is, show them how much can be changed through such an organization whilst having fun doing that work. We need to get the message across that it's fun to be in Kiwanis and that you can do meaningful service, both within your community and worldwide. I want to work on this to make it happen!

Biography

Married for 50 years to Bettina, born 1950, 2 daughters, 2 sons, 7 grandchildren
Government school director off duty.

Why did you decide to run for office?

Because I enjoy volunteering for Kiwanis and have been encouraged by several districts to do so.

What qualifies you to become an officer of Kiwanis International?

My service (honored by KI) as district governor and my active participation in that capacity with KI-E and KI.

What do you hope to accomplish during your term in office?

1. that KI-E works in partnership with KI with clearly defined rights and responsibilities and with financially clearly defined solid resources.
2. that the administrative costs of KI should not increase at all, but be reduced if possible.
3. that a reduced family fee be introduced for family members who join a Kiwanis Club. I already voted for this at the World Convention in Orlando, but 62% approval was not enough to change the bylaws.

I want to help ensure that Kiwanis stands for „Friendship,“ „Helping Children,“ and „Future.“

What strengths do you bring to the Kiwanis International Board of Trustees?

My strength is that I am able to bring people with different opinions to the table, to deal with contrary opinions in a fundamentally appreciative way, to find compromises where they are necessary and to motivate people.
For Kiwanis work, I benefit from having been actively involved in board work at all levels for many years.

What do you hope to accomplish during your term in office?

I hope to accomplish creating a better and new way of approaching Kiwanis in Europe, in accordance with the Kiwanis International management.
