# MISSION

- SOS Children's Villages help every child grow up with the love and support of a family.
- They support children separated from their families or at risk of separation from them.
- They promote right of every child to grow up in a safe and caring family environment, giving them the best chance of a secure future.

# Target groups

- Families
- Vulnerable single-parent families
- Many-children families
- Families with children with disabilities
- Children who lost a parent in the war
- Severely traumatized children

# Response principles of SOS Children's

- SOS delivers focused and effective emergency response that is immediate and scaled appropriately
- Maximize impact through cooperation with partners

# Major focus in 2024-2026

In Ukraine, state institutions taking care of parent less children are in poor shape.

- SOS will focus on avoiding that children go (back) into these institutions
